

Technical drawing of a blade plan view. The drawing includes the following features and dimensions:

- Dimensions:**
 - Overall length: 2500 (indicated by an orange dimension line at the top).
 - Distance from inlay to the start of the stock: 1450 (indicated by a black dimension line at the top).
 - Stock thickness: 533 (indicated by an orange dimension line on the right).
 - Distance from blade top to stock top: 1050 (indicated by a pink dimension line at the bottom).
- Features:**
 - Inlay:** A red outline defining the blade's shape, with a label "Inlay" and an arrow pointing to it.
 - RUD33:** A label for a specific feature or section of the blade.
 - Stock:** A blue outline representing the stock material, with a 2% taper indicated by a curved arrow.
 - Mounting Holes:** Two rectangular holes are shown in the stock, one of which is labeled "RUD33".
