| Rev.      | Description | Date | Author |

| ITEM NO. | Jefa No.      | DESCRIPTION                                                 | QTY. |
|----------|---------------|-------------------------------------------------------------|------|
| 1        | SOL44.3-STOCK | Solaris 44.3 Rudder stock , Aisi 630, Ø55mm                 | 2    |
| 2        | SLE060SS      | Stainless Steel sleeve Ø60 x Ø55 x 110mm                    | 2    |
| 3        | 5BT060        | S-A bearing 60mm, conical and nut                           | 2    |
| 4        | TU080300      | Alu tube Ø80 x 300mm                                        | 2    |
| 5        | GA080055      | Gaiter for 80mm tube and 55mm shaft                         | 2    |
| 6        | KEY10080      | Stainless key 10 x 10 x 80mm                                | 2    |
| 7        | 5T045ZS       | Top roller bearing 45mm, with cover, Self-aligning, max 25° | 2    |
| 8        | 46045         | Top / Lock ring 45mm                                        | 2    |
| 9        | EM42035Z      | Emergency tiller for 25mm hole in top of stock (type 1)     | 1    |

|                                                                                                                                                                                                                                   |  |                                                                                          |                  |                                                                                                        |                           |
